Bulletin and Website

We are excited to announce over the next several months we will be working with a website design company to upgrade our St. Thomas Website.

Also during this time, we will be working together with St. Michael's to combine our Parish Bulletins. This will not only be a cost saver, but a great way to know what is happening at both parishes. St. Michael's has already begun to make changes in the newly designed bulletin to include some of our St. Thomas Parish information. This will be a work in progress over the next few months and you may see some changes along the way. St. Thomas will begin distributing the newly combined St. Michael/St. Thomas Bulletins beginning in July.

Please note, going forward, any information needing to go in the bulletin, needs to be submitted to Diane Brady in the parish office at least 10 days before the publication date.
